CATHOLIC SOCIAL TEACHING CORNER This Sunday all the readings remind us that we are caught up in the great mystery of love. The very life and essence of God is love; and God, who calls us and loves us first – before we are ready or able to respond – pours out his

love on us with profound generosity. Since God has been so generous with us, how can we be stingy – especially since love comes from God and not from us? We are invited to receive, to treasure this great gift and then to live and spread it throughout the world, especially toward those who are hardest to love, our enemies.

PRO-LIFE ACTIVITIES Theology of the Body (TOB) Leadership series classes will be conducted around the diocese this summer. Leadership classes are an essential tool for educators. This facilitated program allows the authors of the curriculum to teach segments of the program to help you better understand the message about the beauty and dignity of being human. This series will include commentaries by authors Jason and Crystalina Evert and Brian Butler. This program will help catechists, DREs and Catholic school teachers fulfill the 8-hour TOB/Chase Living requirement and continuous education for the Adult Formation Program. For registration questions or for more information, call (512) 949-2486. To register for the course, visit <https://secure.acceptiva.com/?cst=1eae1a>.
